Enrollment in the advanced courses has dropped. Members	
are requested to review the content of these courses and, if they	
believe there is a need for new course material, please so inform the ITC.	
the 11C.	
The schedule of courses for the last half of CY-1974 will be	
published in mid-April.

4. RACE Progress Report	

In early March 1974 the US Embassy in Moscow requested Soviet authorities for a slight relaxation of zoning regulations governing construction of the new embassy complex. A mid-March reply from the Soviets, recommending a delay in the arrival of the architect team until an answer to this request is forthcoming, suggests that the Soviets are foot-dragging in the construction negotiations.

5. Reports by Members

- (a) The Chairman requested Committee members to review their need for the film, "Damage Report," and to advise either him or the Executive Secretary if they desired additional copies. (CIA can provide the film for \$150 per copy.)
- (b) Mr. Yamaki requested early Committee consideration of the DoD draft, "Technical Surveillance Countermeasures Survey." The draft will be discussed at the next Committee meeting.
- (c) The Chairman, referring to the future of the TSCC, reported that no date is yet available for the establishment and staffing of the new Security Committee.

6. Next Meeting

The next meeting of the Committee will be held Friday, 26 April, at 1000 hours in Room 7D64.
